THEY'RE THUMBING WAY ACROSS CANADA

Next stop — Vancouver — for these two pretty hitch-hikers from England. Anita Darby, 21, and Ann Goodliffe, 22, both from London, are pictured by Ogopogo in Kelowna near the end of their cross-Canada journey. The girls landed at Montreal May 1 and hitch-hiked to Toronto where they worked as secretaries for two months. With their earnings they took a bus to Calgary to see the Stampede, then thumbed to Banff. Impressed with Kelowna, they plan to stop here for a few days. — (Courier staff photo.)

## BUT GET-TOGETHER PROSPECTS REMOTE

# Nikita Says He's Willing To Be Locked Up With Ike

NEW YORK (AP) — Nikita Khrushchev says he's willing to be locked up in a room with President Eisenhower until white smoke—the signal of agreement—floats out of the chimney.

The athletic Soviet premier quickly snapped up this College of Cardinals idea when it was suggested Tuesday night. He peddled it again during his round of socializing at diplomatic receptions.

"Although I am not a Catholic, I am familiar with the procedure and I agree," Khrushchev told his first host of the evening, Uruguayan UN delegate Eduardo Victor Haedo, who initially broached the idea.

The Uruguayan referred to the Roman Catholic Church's method of picking its Pope. The Cardinals are locked inside the Vatican for their deliberations. Not until white smoke pours from the chimney of their stove does the outside world know they have agreed on a new Pope.

**WOULD USE PEACE PIPE**  
Khrushchev added that he is prepared to wait the smoke signal from the Indian peace pipe a New Yorker gave him last week.

Prospects of an Eisenhower-Khrushchev get-together actually seemed more remote than ever, Khrushchev, blaming Eisenhower for the collapse of their 1959 Camp David harmony.

# "Duty-Free Shops On Border Could Depress Tourist Trade"

PENTICTON (CP) — The general manager of the Retail Merchants Association of Canada says growth of duty-free shops on the international border could ultimately divert and depress the Canadian tourist trade.

B. A. Gilbert of Toronto said in an address to a group of merchants Tuesday the shops would put an added burden on the taxpayer and probably result in the United States government invoking economic sanctions.

He said a duty-free shop opened this year at Hill Island, Ont.,

## 200,000 U.S. BABIES WILL BE BORN OUT OF WEDLOCK THIS YEAR

CAMBRIDGE, England (Reuters) — The United States will have at least 110,000 unmarried teenaged mothers by 1962 if the "illegitimate population explosion" continues at the present rate, an international conference was told today.

Dr. George Loewenstein, former public health officer in Chicago, predicted about 200,000 American babies would be born out of wedlock this year. Some 5,000 of the babies would have mothers under the age of 15, he said.

Despite these figures, Loewenstein maintained morals are improving in the United States and juvenile delinquency there is lower than in most parts of the world.

## Teacher Claims Job Gave Him Foot Ailment, Seeks \$230,000

TORONTO (CP) — Lloyd White, who says walking 18,000 miles in 28 years as a Toronto school teacher led to a crippling foot ailment, wants \$230,000 compensation from the government.

His case may hinge on whether he can show the Workmen's Compensation Board that foot disease is an occupational hazard for teachers.

Appearing on crutches before the Ontario legislature's select committee on organization of government, Mr. White, 67, said some duties assigned to him as a teacher were illegal.

As vice-principal of Central High School of Commerce he

was assigned building supervision duties which should have been teachers'. The department of education had failed to enforce school regulations. He said the legislature must assume full responsibility for the relatively small value of the Workmen's Compensation Act to teachers.

Mr. White, a member of the Toronto and Metropolitan Toronto boards of education, claims \$60,516 in losses. He also claims \$164,377 for what he calls operating economies gained at his expense.

An unchecked flood of U.S. dollars buying cheap goods at these shops would probably result in the American government lowering the amount tourists were permitted to take home duty free.

Visualize your problem of trying to sell an article to a Canadian after he has just seen the same item sold to a tourist for 40 per cent less."

He said when a government sees it is losing a source of revenue it patches the leak as fast as it can. In this case the patch would come from Canadian pocketbooks.

Visualize your problem of trying to sell an article to a Canadian after he has just seen the same item sold to a tourist for 40 per cent less."

## BYLAWS FOR DECEMBER

# City Will Vote On Big Program

Ratepayers of greater Kelowna will vote—probably Dec. 8—on proposals to bring into being improved public services for the new city.

First and second readings have now been given by council to three bylaws providing for expenditure of \$330,000, made up as follows: \$110,000 for fire protection apparatus and appliances; \$120,000 to be spent on materials and labor for additions to the waterworks, sewers, etc., and \$100,000 for equipment to be used in the waterworks project.

It is expected that a bylaw covering new jail facilities, at an approximate cost of \$110,000, will be prepared in time for the referendum, as may miscellaneous others.

Mayor R. F. Parkinson said today these provisions have been mentioned in the blue books circulated throughout the city and the then outside areas at the time of the vote on boundary extensions.

He added that some of the proposed expenditure would have been necessary even if boundary extension had not become a fact.

Mayor Parkinson said new fire-

fighting equipment is essential if the fire brigade is to have a proper chance of saving lives and property throughout the greater area it will be serving.

Having pointed out that an aerial ladder will enable the firemen to combat blazes from above, he stated that such a unit might have saved the Cascade packinghouse, destroyed here in June.

Mayor Parkinson said the waterworks project will be included in the winter works program, the labor costs of which, apart from the city's permanent employees, are borne 50 per cent by the federal government and 25 per cent by the provincial government.

A breakdown of the \$110,000 required for the fire department reads as follows: \$55,000 for a 100-foot aerial ladder unit complete with ground ladders, hose, etc.; \$28,000 for pumping gear; \$5,000 for radiogs; \$3,500 for chief's car; \$3,500 for modernizing one truck, and \$15,000 for miscellaneous items.

As yet there is no detailed information available as to the proposed expenditure under the other two bylaws.

UNITED NATIONS, N.Y. (CP) — Soviet Premier Khrushchev went down to defeat early today on two of his major objectives in the United Nations—the admission of Communist China and an immediate, full-scale debate on "aggression in the Congo."

His efforts to undermine Secretary-General Dag Hammarskjöld also appeared to be winning little or no support.

In wrangling that went on until the early hours of the morning, the 21-nation steering committee set back Khrushchev in two critical actions.

First, the committee, on a U.S. resolution, recommended for the 10th year not to put the question of seating Communist China on this year's agenda for the General Assembly. The assembly still must ratify the action.

Second, the committee stopped a Soviet drive to put a debate on events in the Congo before the assembly. The Russian proposal contained the phrase, "aggression in the Congo and the creation there of a breeding ground of tension."

UNITED NATIONS, N.Y. (CP) — Nikita Khrushchev will decide about his departure from New York only after India's Prime Minister Nehru has addressed the UN General Assembly, Communist sources said today.

David Pugh, MP for Okanagan Boundary, announced today that the Farm Credit Corporation, B.C. branch office, will be moved from New Westminster to Kelowna. This is the successor to the Canadian Farm Loan Board.

"The legislation passed last year by the federal Progressive Conservative government has made for a tremendous increase in loans to farmers, and it has been felt by the department of agriculture that the provincial branch office should be in the interior of British Columbia; hence the move," Mr. Pugh said.

"This move follows department policy to give better service to the farming community, and should be welcomed by the people of the Okanagan Valley," Mr. Pugh continued.

The information was made available in a telephone call from Ottawa last night to Mr. Pugh by the deputy minister in charge of the Farm Credit Corporation.

Meanwhile, the Canadian Press reported from New Westminster that city council there would ask the Fraser Valley Municipal Association to join in protesting the shift to Kelowna of the office.

The report started when employees of the federal department were told to be prepared to move to Kelowna.

The farm loan office administers loans to farmers for new buildings, purchase of livestock and implements and for refinancing of mortgages.

GOING TO U.N.

Prime Minister Robert Menzies of Australia, above, has decided to go to the United Nations General Assembly "almost at once," he said today.

## MAC, NIKITA MEET TOMORROW

NEW YORK (AP) — Prime Minister Macmillan will meet with Premier Khrushchev some time Thursday, a foreign office spokesman announced today. The meeting will be after Macmillan's address to the UN General Assembly.

The site for the conference has not been picked yet. Apparently the meeting was arranged this morning when the foreign secretary, the Earl of Home, conferred privately with the Russian leader at the Soviet Union's UN headquarters on Park Avenue.

## Nixon Steps Up His Attacks On Kennedy

NEW YORK (AP) — Vice-President Nixon's increasingly tough and personal attacks on his Democratic rival are adding a more belligerent tone to the presidential campaign.

Nixon, the Republican nominee, turned his attention to New York state today with a series of scheduled speeches in this area. Kennedy wages his campaign in the crucial Pennsylvania-New York area, inspired by huge crowds showing increased fervor since his television debate with Nixon.

Tuesday, Nixon slugged away at Kennedy in Tennessee and West Virginia.

At Charleston, W.Va., Tuesday night he accused Kennedy, by name, of having made a "false statement" that 17,000,000 Americans "go to bed hungry every night." Nixon called it "grist for the Communist propaganda mill" and demanded that Kennedy retract it.

Nixon said the statement was based on a department of agriculture report that "one out of 10 Americans had an unbalanced diet."

Afterwards, in another impromptu talk, Nixon repeated a previous claim that Kennedy's campaign promises would boost federal spending \$13,000,000,000 to \$18,000,000,000 a year.

"This... isn't Jack's money," Nixon said of his opponent, the son of a millionaire. "It's your money he's spending."

## Peachland Doctor Dies On Voyage

PEACHLAND — Dr. Gordon W. Whyte of Peachland has died on board ship while returning from a holiday in the United Kingdom. He was 60.

The ship is due to arrive in Montreal Friday and it is understood he will be buried there.

His family first came to Peachland in 1901.

Surviving are his brothers, Bryson M. Whyte in Vernon and Farrell Whyte in Montreal.

## Basis Hammered Out By Negotiating Teams

OTTAWA (CP) — The basis for an international treaty on construction of the Columbia River power project was agreed upon today by Canadian and United States negotiating teams.

The agreement took the form of a progress report to be submitted to each government for approval. Details will be announced later in Ottawa and Washington.

Justice Minister Fulton and Elmer Bennett, U.S. undersecretary of the interior, said they were hopeful of parliamentary and congressional ratification of a treaty in time for construction on the project to begin next year.

Representatives of the British Columbia government have concurred in the report.

## NEGOTIATE 9 MONTHS

Drafting of the progress report in a final 5½-hour meeting here today concluded nearly nine months of negotiations between the Canadian and American delegations.

All disagreements between the two countries have been resolved and there appears to be no major stumbling block to construction of the massive power scheme, the delegation leaders said.

## VARIOUS PROJECTS

Once governmental approval is announced, it may take only several weeks for a treaty to be completed in its final form, ready for ratification, Mr. Bennett said.

The progress report covers virtually all matters that would be written into a treaty, they added. It includes priorities for the various projects included in the power scheme and the division of downstream benefits.

"We recommended a general outline of projects and quantities and the overall time limits attached to projects to provide the delivery of quantities we recommended," Mr. Fulton said.

## TO SEEK DIVORCE

French sex - Kitten Brigitte Bardot was reported today to have told friends she intends to divorce her actor husband Jacques Charrier. The actress is said to have confided her decision to friends in the country, where she celebrated her 28th birthday quietly today. Brigitte went into hiding last week after a quarrel with Charrier, whom she married in 1959.

## West Germany Won't Loosen Purse Strings

WASHINGTON (CP) — Prosperous West Germany, reported well stocked with dollars and gold, likely will come under increasing pressure from North American and British quarters to turn more of that gold into capital aid for underdeveloped countries.

German arguments that the country is doing as much as it can—and anyway large gold reserves don't mean a country has surplus capital for export—were viewed by Canadian, American and British officials as lacking conviction.

One Canadian authority interpreted the argument expressed by German Economics Minister Ludwig Erhard before the World Bank Tuesday as meaning "non-acquiescence" to the appeal for greater aid.

A British source indicated pressure on Germany will be continued because the need for capital aid is great and among the Western powers it is agreed Germany simply isn't doing enough.

### RED CROSS BRANCHES TO MEET IN ARMSTRONG NEXT MONTH

ARMSTRONG (Correspondent) — The annual Okanagan-Mainline regional meeting of the Canadian Red Cross Society will be held here early next month. Delegates from all points in the valley will attend, as well as several Red Cross executive members from Vancouver.

This is the first time such a meeting has been held here. It will begin at 2:30 p.m., Oct. 7, in the United Church hall.

### Prospects Of Junior Football In Vernon "Aren't Dead"

VERNON (Staff) — Prospects of junior football in Vernon "aren't dead," according to Dr. E. M. Stevenson.

Dr. Stevenson, co-chairman of the Vernon Association for High School Football, said that an announcement would probably come in the near future regarding plans to bring the game to Vernon.

The local association, formed in mid-July, was the result of conferences with B.C. Lions general manager Herb Capozzi, coach Wayne Robinson and other team personnel.

### Fund-Raising Campaign For Blind Launched In Vernon

VERNON (Staff) — One day, ammonium hydroxide splashed against the face of an 18-year-old.

A few seconds later, he was blind. His agony, his need to find a new life might have continued, but for him, the Canadian National Institute for the Blind was an answer.

He learned Braille, new arts and crafts, and with counselling and other assistance, was able to adjust to his handicap. The CNIB placed him in industrial employment, but it was not long before his leadership qualities were recognized. As a result, he became a CNIB field worker.

### Crew Building Approaches To Shuswap River Bridge

LUMBY (Correspondent) — A fairly large crew of men has been employed. Work on the bridge itself will begin later. It is reported it will be a wooden structure.

Lumby and District Board of Trade has urged for some time, since this is a lumbering community. Forest products should be used wherever possible, it believes.

Crews are also working on Vernon Street drainage. Work began on the project this week. Six men plus considerable machinery were required to do the job.

Pipes are being laid along the north side of the street from Naps cafe to the corner of the hotel. This will connect with a drainoff pipe which will cross the street and continue past the Albert Murphy property to the creek.

During the peak of agitation for this project by Lumby residents, one local citizen with a sense of humor posted a "no fishing" sign over a deep puddle.

### Sheward Heads Lumby PTA

LUMBY (Correspondent) — Robert Sheward has been named president of Lumby Parent-Teacher Association.

He was elected at the first meeting of the year held earlier this week at Charles Doon High School.

Vice-president is Mrs. Larry Wolf; secretary, Mrs. Floyd Elset; treasurer, Mrs. Ian Humphries. Program chairman is Mrs. Ann Bartlett who will be assisted by Mrs. W. Marriott and Mrs. Charles Johnson; publicity, Mrs. Roderick MacDonald; social, Mrs. E. Leger; membership, Mrs. Glen Swenson; and hospitality, Mrs. Dorothy Montgomerie.

VERNON (Staff) — An executive member of the Vernon Fish and Game Club has charged his group "has been sold down the river" in negotiations for the lifting of hunting restrictions now in effect on Silver Star Mountain.

Making the charge at the club's first general meeting since the opening of the deer season earlier this month was association president Con Lewis.

Mr. Lewis, who earlier had given a vivid account of the club's actions arising out of the dispute, noted the area in question totalled more than 30,000 acres.

He explained the club has run into "red tape" in attempting to solve the problem between the two opposing forces—that of the organization and that of the local Park Commission.

"We have approached them many times with friendly suggestions and proposals to thrash out the dispute once and for all," said Mr. Lewis. "Never have we got anywhere with the local commission. We don't want all this bickering, all we want is to settle this thing right now, before the season is too far gone."

"Of course," he said emphatically, "we'd be willing to listen and discuss our differences as it should be done. Each side should and I sincerely hope will, concede a little and get this issue settled."

Association secretary Art Spence in reply to a question from the floor said the minister of recreation and conservation, Hon. E. C. Westwood, had lived up to an earlier bargain he had made personally to the Vernon organization.

### SOCIAL NOTES FROM LUMBY

LUMBY (Correspondent) — Mr. and Mrs. Ian Humphries and family spent last weekend at Ephrata, Wash., while Mr. Humphries attended a cabinet meeting of district Lions. Earliest point represented was Hunderd Mile House, B.C. Mr. Humphries is one of the zone chairmen. John Trent, Vernon, is district governor.

Mrs. Fred Hadley has returned home after spending two and a half weeks with her sister, Mrs. Jake Beck of Spokane. She went to be with her sister during Mr. Beck's illness. He died Sept. 24.

Mrs. Hadley travelled to Spokane with her nephew, Arnold Beck.

### CANADIAN GLANCES

ABRUPT HALT — PORT ALBERT, B.C. (CP) — Argument was so heated at a city council meeting here that when Mayor Mabel Anderson pounded her gavel, she splintered the glass top on the desk.

BEARS HAZARD — VANCOUVER (CP) — A mother bear and two cubs were trapped by humane society officials in a backyard tree in suburban Lynn Valley. It was feared that small children might be attacked by the mother bear if they got between her and the cubs.

FRENCH LESSONS — FORT FRANCES, Ont. (CP) — Conversational French is being taught to a limited number of pupils in grades V to VIII in public schools here. Started as an experiment, it may be expanded to more pupils next year.

YOUNG MONSTERS — PETERBOROUGH, Ont. (CP) — A couple of three-year-olds enjoyed themselves splashing green paint on a car belonging to Kathleen Leone here. They also managed to mix up the automatic transmission buttons before police took them home for discipline.

DREAM CAME TRUE — QUEBEC (CP) — Mrs. Charlotte Melville was the winner in a draw for a \$35,000 house at the recent Quebec Exposition. "I've had one dream for myself and my three children," she said, "to live in a big house of our own, on a piece of ground which belonged to us."

TRIPLE CEREMONY — CHIBOUGAU, Que. (CP) — The three Drolet brothers — Laval, Gilles and Foch — were married in the same ceremony at St. Mary's church in this mining town 300 miles north of Montreal. The three couples went on separate honeymoons.

NEW TEACHING — CHICOUTIMI, Que. (CP) — Movies, television, radio and newspapers now are an important part of school life, says Msgr. Marius Pare, conductor bishop of Chicoutimi. Teaching methods must be readjusted to take account of mass media, he said in an address.

### North Okanagan Socreds To Name New Officers

VERNON (Staff) — The North Okanagan Social Credit group will elect 1960-61 officers at a meeting here Wednesday night.

MLA Hugh Shantz will attend. The constituency organization will name delegates and discuss resolutions for the provincial convention in November.

The meeting will be held beginning at 8 p.m. in the Canadian Legion building.

Oct. 17, at its first meeting of the season, the Vernon group will elect officers. The meeting will begin at 8 p.m. at the Golden Age club.

## Vernon's Golden Age Club Opens Recreation Room

VERNON (Staff) — Mrs. C. Hamilton-Watts cut a golden ribbon Monday afternoon, signifying official opening of Vernon Golden Age Club's new recreation room.

More than 100 persons attended the ceremony. The room was dedicated by Bishop A. H. Sovereign, who commended the group of 127 members for their achievements which he termed "extraordinary." Club members have raised the original cost of the premises, \$5,000, also about \$2,300 for the new 20 by 22 foot room. In addition there was a quantity of gifts of paint, wax and other items.

Acting Mayor Frank Telfer brought congratulations and greetings from the city of Vernon. David Howie Sr., 1960 Good Citizen and president of Vernon Jubilee Hospital board of trustees, and Dr. Michael Lettice, one of the club's boosters in its formative years, expressed good wishes.

All speakers were thanked by the club's vice-president, Mrs. Mina Reynolds. Club president Frank Valair, Sr., was master of ceremonies. Mrs. A. W. Dobson, accompanied by Mrs. William Nichol sang "Bless This House." Mrs. Herbert Masters presented a bouquet of gold and white chrysanthemums to Mrs. Hamilton-Watts as a token of appreciation of her help and interest during the past six years.

### Students To Report On U.N. Seminar

VERNON (Staff) — Vernon high school students who attended the recent United Nations seminar at the University of B.C. will report at the first fall meeting of Vernon branch of the United Nations Association.

The meeting will begin at 8 p.m. Thursday in Central Elementary school library.

### MOTOR SHOW

Sixty manufacturers from 10 countries including Canada are represented at Britain's annual motor show in London in October of 1960.

### VERNON SOCIAL NOTES

VERNON (Staff) — Pink daisy chrysanthemums reflected the glow of tall pink tapers when Mrs. E. F. Tremblay entertained Tuesday in honor of October bride-elect Miss Helen Bergander.

Co-hostesses were Mrs. William Burns and Mrs. A. Biollo. Thirty guests attended the shower.

Gifts were presented in a decorated shopping basket, and the bride-to-be was shown to a chair decorated with streamers and a doll dressed in bridal regalia.

Recent guests at the home of Mr. and Mrs. Robert Moncur were Dr. and Mrs. Robert Gilchrist of Vancouver.

Revisiting Vernon briefly last week was Miss Annette Daem, a registered nurse who had just completed a post-graduate obstetrical course at McGill University, Montreal. Miss Daem was the first student enrolled in this course to obtain 100 per cent in examinations. She is the daughter of Mrs. Phillip Daem, Vernon. Before travelling to Vancouver to take a position with Vancouver General Hospital, she will visit relatives in Penticton.

Mrs. John Dedora, Mrs. Frank Williamson and Mrs. Hank Murray were conveners of a recent surprise bingo held in the auditorium of St. James' school.

### ROYAL CHURCHGOER

Princess Margaret leaves London after taking communion. She wears a trim suit of navy blue silk and a white hat tied with a navy blue velvet ribbon.

### TODAY'S STOCK QUOTATIONS

TORONTO (CP) — Golds, the feature of recent stock market sessions, were losing ground this morning as all other sections moved ahead amid light trading.

On index, industrials were up .63 at 481.13, base metals were up .17 at 150.59 and western oils gained .20 at 52.08, while golds were off .88 at 89.35.

The 11 a.m. volume was 534,000 shares compared with the 468,000 shares traded at the same time yesterday.

Bank of Montreal and Investors' Syndicate A led industrials higher with gains of 3/4 at 53 1/4 and 2 1/4. Ford of Canada dropped two points at 120. Dome, trading ex-dividend, dropped 3/4 at 22 1/2 to influence golds, while Kerr-Addison gained 1/2 at 13 1/2.

Base metals lined up behind Noranda with a half-point gain at 40. Ventures eased 1/4 at 24 1/2, while among senior uraniums, Gunar improved five cents at \$6.65.

Home B led western oils higher up 15 cents at \$7.80, with Central Del Rio up to \$5.60.

## 240 Children Were Guests At Oyama Zionist Camp

Leo Markus, camp supervisor of Camp Hatikva has returned to Vancouver following the closing of the camp for its fifth year of operation. The Oyama camp is one of five operated by the Zionist Organization of Canada.

Mr. Markus stressed that Camp Hatikva is not a religious camp but one established to help promote cultural ties between Canada and Israel.

While many of the children at the camp this year were not Jewish families many were not, especially among the one third who were welfare children who were recommended by various welfare organizations and came from far away as Vancouver, Calgary, Edmonton and also Seattle and Los Angeles.

During the summer 240 children were guests at the camp.

## NEW SWIMMING AREA TO BE SOUGHT

Kelowna Board of Trade executive will consult Premier W. A. C. Bennett, in his capacity as M.L.A. for South Okanagan concerning development of the proposed new picnic and swimming area, north of Beacon Beach.

L. N. Leathley, president, said he had recently had conversations on the subject with Dr. D. B. Turner, Deputy Minister of the Department of Recreation and Conservation, who suggested the board seek to have the area classified as "Number Six Park Category."

However, Mr. Leathley continued, this would result in the property being removed from the government's sphere of activity, and it was in no condition to be turned over to a service club as it stood.

Members were in agreement that a start in the reclamation work must come from a government department.

It was resolved to contact the premier and the Department of Highways.

# Trade Board Declines To Conduct Shopping Survey

Kelowna Board of Trade executive decided Tuesday to refer to the Kelowna Retailers Association the question of carrying out a consumers shopping survey, recently recommended to it by the Canadian Chamber of Commerce.

The suggestion was that the chamber would furnish the board with a supply of questionnaires for distribution to shoppers in the city, to ascertain their opinion of the shopping centres they frequented.

G. A. Elliott, to whom the matter had been turned over for study, reported that the questions were designed to invite the public to offer criticism of its shopping area.

He said that in one specific shopping centre it would probably be necessary to distribute 3,000

questionnaires with the expectation of getting about 300 returned completed.

He explained that under the scheme these 300 or so forms would be returned to the chamber, which after two months would surrender them to the Electrical Bureau, the original sponsors of the project.

"What it wants them for I don't know," said Mr. Elliott, "and I don't know what value they'd be to the Board of Trade."

He added it would be a different matter if the retail merchants, who were giving a very satisfactory service throughout the city, felt it would be beneficial to take the matter up. Otherwise, he suggested, it be left alone.

The board agreed to submit the question to the retailers association for its opinion.

## Appointment For Trade Board Manager

Fred J. Heatley, manager of the Kelowna Board of Trade, has been appointed a director of the Pacific Northwest Travel Association.

He will serve as a director not only of the British Columbia division, but of the international organization.

The association, which concerns itself largely with tourism, is established throughout British Columbia, Idaho, Montana, North Dakota, Oregon and Washington.

Its membership is comprised of government, civic and travel officials and businessmen in these districts.

Mr. Heatley was congratulated on his appointment at a meeting of the Kelowna board's executive Tuesday.

## Progress Reported On Local Industrial Statistics Probe

At an executive meeting of the Kelowna Board of Trade, Tuesday, A. S. Hughes-Games reported on spade work towards compiling statistics on the district sought by the Department of Industrial Development, Trade and Commerce.

He disclosed he had subdivided the information required so that inquiries could be directed individually to lumber and fruit interests, merchants, city officials, etc.

He requested the aid of his colleagues in contacting these. The executive decided to pursue the matter along these lines and to utilize the facilities of the board's office towards that end.

The information is required for inclusion in "A Regional Industrial Index of British Columbia," which the bureau of economics and statistics publishes.

The following executive members have indicated they will be attending the B.C. Chamber of Commerce regional workshop, scheduled for Oct. 14 in Vernon: L. N. Leathley, president; R. H. Wilson, vice-president; A. R. Pollard, O. L. Jones, G. A. Elliott, A. M. Duncan and Fred J. Heatley, manager.

L. N. Leathley, president, said he felt a great deal of good had been accomplished through exchange of views, at the recent British Columbia Tourist Council meeting at Qualicum Beach, which he and Fred J. Heatley, manager, attended.

He added he would like to see more local representatives of the tourist industry at such conferences.

Funeral services were held Sept. 26 for Barbara Mason Anderson, of 663 Cambridge Ave., who died Sept. 23 in the Kelowna General Hospital. She was 73.

Mrs. Anderson was born in Edinburgh, Scotland and came to Lethbridge, Alta., in 1919. The family moved to Kelowna in 1944.

Mrs. Anderson's husband died in 1959 and a son, Wallace, was killed during the war.

Surviving are seven sons: William and John in Vancouver, Andrew in Kelowna, George in Cloverdale, Robert in Lethbridge, Douglas in Calgary and Albert in Victoria; one daughter, Mrs. David (May) Lilwall of Lethbridge; 21 grandchildren and four great grandchildren. The family were all home for the funeral.

Funeral service was held from Day's Chapel of Remembrance on Monday at 11 a.m. the Rev. E. H. Birdsall and the Rev. R. S. Leitch officiating. Interment was in the Kelowna Cemetery.

Day's Funeral Service Ltd. was in charge of the arrangements.

## Funeral Of R. O. Trites Held Here

Funeral services were held Sept. 26 for Russell Otton Trites of 831 Saucier Ave., who died Sept. 21 apparently of a heart attack while driving on Highway 97 near Hixon, south of Prince George. He was 59.

Mr. Trites, born in Moncton, N.B., came west to Edmonton where he was married in 1923.

In 1934 he and his family moved to Kelowna where he entered the contracting business. In 1955 he moved to Kelowna.

Surviving are his wife, two sons, Russell in Prince George and Ronald in university in Ottawa; one daughter, Joyce at home, four grandchildren and one sister in N.B.

Funeral service was held in Day's Chapel of Remembrance on Monday at 2 p.m. the Rev. K. Imayoshi officiating. Interment was in The Garden of Devotion in Lakeview Memorial Park.

Palbearers were Ted Guy, David Milne, Walter Corbin, Lorne Mitchell, Ross McDonald and Mr. McKenzie.

Day's Funeral Service was in charge of the arrangements.

## COUNCIL TOLD:

## Woodlawn Resident 'Victimized'

An angry man from Woodlawn recently appeared before council to upbraid the city fathers on his experiences in the wake of boundary extension.

Nick Boblow told of already receiving two stickers on his truck "for being parked in the wrong direction." He said he parked now outside his own house as he had for the past 15 years.

He also claimed he was victimized in that he had been ordered to move a pile of fertilizer inside his fence area, while some of his neighbors had woodpiles all over the place, and were not interfered with.

He charged the city had failed in its promises to Woodlawn, including one to keep it clean.

"The city has taken in Woodlawn," he declared, "and we've got to park the city way -- well, the city should keep it clean as well."

Ald. A. J. Treadgold said the city could hardly be expected to do everything at once.

Mr. Boblow said that, as the aldermen well knew, he had opposed the city and home-own extension, but since Woodlawn was now in the city he'd like to see it kept clean.

One guy has to move it," he continued, "while another guy gets away with it."

Before leaving Mr. Boblow stated that so far as the stickers were concerned, he would fight council right through the courts.

## Pretty Double Ring Rites At Grace Baptist Church

The Grace Baptist Church was charmingly decorated with bouquets of dark red and white gladioli on September 3 when Esther Lillian Tataryn, daughter of Mr. and Mrs. William Tataryn became the bride of Neil D'Arcy Crumb, son of Mr. and Mrs. Norman C. Crumb of Vancouver. The Reverend J. B. Kornalewski officiated and the soloist was Mrs. Del Reiswig, accompanied by Mr. Floyd Baylor.

The bride was given in marriage by her father. She wore a lovely fitted, long sleeved gown of white brocade with a full floor length skirt and cathedral length train. Her shoulder length veil was held by a small pearl tiara and she carried a bouquet of gardenias.

Mrs. F. A. Dunn acted as matron-of-honor, and the bridesmaids were Miss Bertie Reiswig, Miss Cardie Crumb, and Miss Eleanor Tataryn, while the young flower girl was Miss Elaine Tataryn. The attendants were dressed alike in jade green satin sheath dresses, with whimsy headresses of jade green satin flowers and net, and they each carried three giant chrysanthemums tinted green.

The best man was Mr. Harvey Holm and the ushers were Mr. Mel Fagrie, Mr. Fred Dunn, Mr. Rueben Tataryn and Mr. Joseph Kaplanian.

A reception for 200 guests was held at the Kelowna Canadian Legion Hall. The mother of the bride received the guests dressed in rose satin brocade, and the groom's mother chose a grey two-piece suit. The toast to the bride was proposed by Mr. Harvey Holm and responded to by the groom and the bride's table was presided over by Miss Esther Tataryn, cousin of the bride. Serving were Miss Ann Ambruster, Miss Josie Kozak, Miss Joan Kozak, Miss Lillian Tataryn, Miss Nettie Spent, Miss Erna Spent and Miss Brenda Ambruster.

Out of town guests included Mrs. Stanley Craig, Mr. Robert Gikas, Miss Nina Lord and Mr. Conrad Rademaker, all of Vancouver and Mr. and Mrs. D. A. D'Arcy Crumb and son from Winnipeg, Manitoba. Leaving for their honeymoon to Vancouver Island, San Juan Islands and the State of Washington, the bride changed to a black sheath dress with white accessories. Mr. and Mrs. Crumb will reside in Vancouver.

## Home Mission And Welfare Director Visits Kelowna

Pastor and Mrs. W. E. Kuester and daughter Sheila, visited the Kelowna area over the weekend. Pastor Kuester is the Home Missions and Welfare director of the B.C. Conference of Seventh-Day Adventists. He showed moving pictures of the medical work in the highlands of New Guinea.

Back in the jungles of that beautiful country are thousands of primitive people who are imploring the missionaries for help. There is so much sickness, ulcers, etc. One village collected all the money and trinkets they could find, and walking through miles of jungle trails they came to the missionary and said in their Pidgin English, "Masta, please you fella, me fella like buyin dokta." (Master, please, we want to buy a doctor.)

Their request will not go unanswered. Each quarter around the world the Seventh-day Adventist Sabbath Schools take a

A very successful Shrine dinner party was held recently at the Royal Anne Hotel in honor of the Shrine Potentate and his Divan accompanied by their ladies. Guests were present at the dinner from all points in the South Okanagan.

The Reverend and Mrs. A. Prop from Chilliwack who have come to Kelowna to attend the Lutheran Church conference are guests of Mr. and Mrs. A. R. Cryderman.

Visiting Mr. and Mrs. Rex McKenzie are Mr. McKenzie's mother, Mrs. May McKenzie and his son, Mrs. O. Soice, from Lethbridge, Alberta.

Mrs. R. J. Buchanan has returned from a trip to Seattle and Vancouver.

Mrs. Tom Morison has returned from a motor trip through the Kootenays accompanied by her son Mr. Jack Morison.

Mr. and Mrs. Ernest Mason, together with Mr. and Mrs. Bartlett McCarthy of Salmon Arm, have returned from Revelstoke where they attended the funeral of Mr. E. S. Disney. Mr. and Mrs. Disney were travelling to Nelson on their 51st wedding anniversary to visit their son and daughter-in-law, Mr. and Mrs. Douglas Disney, when Mr. Disney suffered a fatal heart attack.

## OKANAGAN MISSION

The annual fun day for members, families and friends of the Kelowna and District Riding Club was held under sunny skies at Dr. C. D. Newby's "L.D." Ranch on Mission Creek. This year it was called the "Newbar" Fun Day, with events for all ages, sizes and shapes of horse and rider. Ribbons were awarded for prizes. Mr. L. G. Wilson was the official announcer.

Guests recently registered at the Eldorado Arms Hotel have been: Mr. and Mrs. A. B. Moody, Everett, Wash.; Mr. and Mrs. J. A. C. Drew, West Vancouver; Group Captain and Mrs. A. D. Bell-Irving, West Vancouver; Mrs. H. Bell-Irving, Vancouver; Dr. and Mrs. W. M. Clarke, South Bend, Indiana; Mr. J. L. Burns, Mr. J. S. Patterson, Vancouver; Mr. V. R. Sutherland, Victoria.

Mr. and Mrs. L. G. Wilson, and Noreen Wilson, Lakeshore Road, returned recently from a short stay in Vancouver where they attended the "Horse of the Year" Show held at the Exhibition Grounds. Miss Wilson was riding one of the Williamson horses.

Mr. and Mrs. J. Olinger, Hobson Road, have returned home after attending as delegates from the Church of the Immaculate Conception, the Family Social Conference held recently at the Banff School of Fine Arts. Attending the conference were some five hundred delegates from all denominations from British Columbia and Alberta. Lectures by highly qualified and interesting speakers, were followed by workshops, when four couples sat in at round table conferences discussing specific problems which today confront all family life.

Miss Noreen Wilson, daughter of Mr. and Mrs. L. G. Wilson, Lakeshore Road, leaves on Thursday for Calgary, Alberta, where she will ride horses from Brookside Stables and from the Williamson Stables at the Calgary Horse Show.

## Ask these questions when you're buying a truck:

**What's the best size for a truck?** A truck should only be as big as the job it has to do. Any bigger and delivery costs skyrocket. The Volkswagen truck doesn't waste an inch or an ounce on useless space. It carries a full 170 cubic feet of load and has near perfect weight-to-payload ratio.

**What's the most economical truck to run?** The one that delivers the most goods for the lowest cost. Volkswagen's delivery van has a far greater capacity than a standard half-ton truck yet it costs much less to run. No other truck can say this.

**Which truck is easiest to load?** The truck that's all doors—Volkswagen. The VW is the only truck with side and rear doors as standard equipment. You can walk right in through the double side doors from the curb or load and unload through the rear door. Delivery time is cut down.

**What's the best 'engineered' truck?** The one with the most sensible design. The Volkswagen delivery van has an all-steel, all-welded unitized body that provides extra strength without excess weight. The air cooled engine makes maximum use of aluminum and magnesium alloys and weighs only 198 lbs. Weight is evenly distributed throughout the truck. The driver up front, the engine in the rear and the load where it should be, cradled between the axles.

**Which truck has the best Service Plan?** Volkswagen by far. When you buy a VW truck you get a 6 month, or 6,000 mile, parts and labour warranty. You also get a service book that starts you off with two free inspections and then provides for preventive maintenance on a planned basis for the life of the vehicle.

## BOUDOIR BEAUTY

Designed for the autumn bride is this daytime length gown and peignoir made with all the filmy beauty of a diaphanous dance frock.

The exquisite Alencon lace which encircles the neckline of both gown and peignoir, forming the elbow-length sleeves is a circular design derived from an antique lace pattern called, appropriately enough, "Wedding Ring."

While traditional white is featured, many brides are choosing a new blue that is suggestive of a serene summer sky. Pretty, too, in pink, either a

vivid shade or a delicate crystal pink, all with matching lace.

## Wings Getting In Shape With Eighth Win In Row

By THE CANADIAN PRESS

Detroit Red Wings are getting in shape for the 1960-61 National Hockey League season with plenty of hard work. They seem to thrive on it.

The Wings, who finished fourth in the 70-game regular schedule last season, Tuesday night slipped through their eighth exhibition game in eight nights. They picked up their eighth straight victory, overpowering Vancouver Canucks of the Western League 10-3 before 5,500 fans at Vancouver.

Toronto Maple Leafs shut out Sault Ste. Marie Thunderbirds of the Eastern Professional League 4-0 while Chicago Black Hawks

were held to a 4-4 tie by Buffalo Sabres of the American League.

At Fort William, Boston Bruins grabbed a 3-0 lead in the first period, then coasted to a 5-1 triumph over the WHL Winnipeg Warriors.

The Wings were led by veteran right-winger Gordie Howe and Al Johnson, a draft pickup from the WHL Spokane Comets, with two goals apiece. Singles went to Norm Ullman, Gary Aldcorn, Warren Godfrey, Val Fonteyne, Brian Smith and Jerry Melnyk. Orland Kurtenbach, Bruce Carmichael and Len Lundie, the latter on loan to Canucks from the Wings, scored for the losers.

The Wings continue their

## Jim Norris Hangs 'Em Up For Good In Boxing World

CHICAGO (AP) — Jim Norris, his National Boxing Enterprises strangled financially by American Broadcasting Company's decision to stop televising Wednesday night fights, quit the boxing world for good Tuesday.

"Our belly is full," said the millionaire owner of the National Hockey League Chicago Black Hawks and a racing stable and part owner of Chicago Stadium.

"The televised Wednesday night fights formed the financial backbone of NBE. Tonight Eddie Perkins of Chicago meets Gene Gresham of Detroit in a 10-round lightweight bout in Chicago Stadium that will spell fins to the Wednesday night fights feature.

TV boxing will continue Saturday nights, but most of the bouts will be in New York's Madison Square Garden and Norris said that, although Chicago stadium will be available for boxing promotions, he doesn't expect any top-flight fights there.

"My enemies, vague as they were, beat me down," said Norris. "Our organization put our heart, money and integrity into boxing only to get slapped down. Our belly is full and we're quitting."

## Kitchener May Jump Back Into Senior Hockey

KITCHENER, Ont. (CP) — The Kitchener Waterloo Dutchmen may jump back into senior hockey.

The Dutchies announced several weeks ago their withdrawal from Ontario Hockey Association senior play. Team officials met the arena commission Tuesday night in an effort to get ice time.

If the team can get ice time, officials say the player situation is in shape for a team. It would probably play in a league with Welland, Galt, Oakville, Whitby and Belleville.

### PUNCHES THROWN

Heavy checking featured the Boston-Winnipeg skirmish. Things became rough at one point when Mike Karchak of Winnipeg and Leo Labine of Boston threw punches.

Johnny Bucyk scored twice for Boston. Doug Mohns, Labine and Orval Tessier added singles. Gord Redahl accounted for Winnipeg's goal.

The Bruins fired three goals against their former goaltender Harry Lumley, before he gave up the Winnipeg net chores to Ernie Wakely.

In Montreal, coach Toe Blake of Canadiens shuffled his roster with rookie forwards after regular centre Phil Goyette reinjured an ear in practice.

Blake sent Bob Rousseau to Hull-Ottawa Canadiens of the EPHL and said Cliff Pennington and Wayne Connelly will line up with the Habs in two games prior to Saturday night's all-star battle in Montreal.

### STARTED IN 1949

Norris organized the International Boxing Club in 1949 after buying controlling interest in Mike Jacobs' 20th century boxing club of New York. He set up headquarters at Chicago Stadium and Madison Square Garden and turned out two televised fights a week on Wednesday and Friday.

The weekly double feature reportedly grossed \$10,000,000 a year at its height and averaged five championship bouts annually. Joe Louis was the figurehead.

The first Chicago Stadium TV show was Oct. 3, 1951, when Dave Sands defeated Bobo Olson in the first coast-to-coast televised bout. The first IBC promotion was the heavyweight championship fight between Ezzard Charles and Jersey Joe Walcott in Chicago's Comiskey Park, June 22, 1949. Charles won.

The Norris empire began to crumble in 1957 when the IBC was ruled a monopoly and when the ruling was sustained in 1959 by the United States Supreme Court. Norris temporarily regrouped in Chicago with the

## No Mile Run For Herb In Germany

LONDON (AP)—The troubled Berlin political situation Tuesday wrecked Britain's mile-of-the-year race between Herb Elliott, Australia's world record holder, and Europe's No. 1 man, Siegfried Valentin of East Germany.

The Evening News announced that Valentin and other East German stars cannot get travel permits to compete in the meet being organized by London newspapers, scheduled for tonight at White City Stadium.

Elliott and Valentin did not meet in the Olympics because Valentin failed to qualify for the 1,500-metre finals in which Elliott won the gold medal. Valentin, however, holds the European mile record of 3:56.5. Elliott's world record is 3:54.5.

Elliott's strongest opponents now may be Gordon Pirie of Great Britain and Terry Sullivan of Rhodesia, both of whom broke four minutes when Elliott won at Dublin last week in 3:57.

### RECOVERING FAST

British driver Donald Campbell, injured when his Bluebird II speed car crashed on Bonneville Salt Flats Sept. 16, said Tuesday he hopes to be released from hospital by the end of the week.

The end-over-end flip at about 300 miles an hour caused a basal skull fracture. Campbell said the wreckage of Bluebird II is on its way back to England, along with many members of the crew.

## Canadian Golf Team Tees Off

ARMORE, Pa. (CP)—A four-man Canadian squad tees off with golfers from 31 other nations today in the second world amateur team championship.

And if Bob Wylie's 65 practice round Tuesday is any indication, the Canadians may put on a good show. It's generally agreed that any team that can put together three rounds somewhere near the Merion Golf Club par of 36-34-70 has a good chance of winning the Eisenhower Trophy.

Wylie, 30-year-old Calgarian and this year's Alberta amateur champion, will be teaming with Johnny Johnston, 35, of Vancouver, 1959 Canadian amateur champion; Keith Alexander, 30, of Calgary, this year's Canadian amateur champion; and Gary Cowan, 21, of Toronto, low amateur in the 1960 Canadian Open.

Non-playing captain is Bruce Forbes of Brantford, Ont. All members of the team were on the Canadian 1960 Americas Cup squad which wound up second to the U.S.

### SOUTH AFRICA HOPEFUL

South Africa's Arthur Walker, the only member of that country's 1958 team to return this year, figures his squad will give the defending champion Australians some tough moments.

"We're not exactly confident that we'll win, but we feel pretty good about our chances," said Walker. "All of our boys have shot 69 or 70 more than once in practice."

The world team championship is designed to foster international understanding through golf, but there's not a player here who isn't out to win.

## Two Outside Players Want To Attend Packers Camp

Two interested players will be sent invitations to attend Kelowna Packers training camp October 6.

The club has received letters from Stan Maxwell of Lethbridge and Mel Recels of Kamloops.

Maxwell, who played in Indianapolis last season, is believed to be a forward. He apparently is extremely interested in coming to the Orchard City.

Recels is now in Kamloops and has been a spare goaltender in that city for two years. He is also very keen on coming here. No further particulars on the boys were available today.

### BASEBALL STARS

By THE ASSOCIATED PRESS

Hitting — Tommy Davis, Los Angeles Dodgers, rookie outfielder drove in four runs, three with his 10th homer, in 5-1 victory over Cardinals.

Pitching — Ryne Duren, Yankees, making first start in two years in warmup for world series relief role, tied modern record by striking out first five men he faced in 5-1 victory over Senators.

### Curling Club Meets Tonight

Kelowna Curling Club will hold its annual general meeting 7:30 tonight at the curling rink.

The meeting will deal with plans for an expected big 1960-61 season and various other business.

Members and anyone interested are urged to attend.

series a week from today, but he knows for sure that one-time reliever ace Ryne Duren is ready.

The fast-balling right-hander, making his first start in two years, Tuesday night tied a modern record by striking out the first five men he faced as the Yankees whipped Washington 5-1. It was the American League champs' 11th in a row.

Baltimore walloped Boston 17-3 and took a one-game lead over Chicago in their scrap for second place as Detroit beat the White Sox 2-0 behind Jim Bunning's three-hit pitching. Kansas City defeated Cleveland 5-4.

The Senators didn't get a hit until the fourth inning, when Reno Bertoia and Jim Lemon singled. Eli Grba (6-4) won it with three hitless innings. Bob Turley, considered by Stengel as a possible starter at Pittsburgh Wednesday along with Art Shuman and Whitey Ford, gave up one single in his two frames.

### SHOW GOOD HITTING

The Yankees, riding their longest streak since they won 11 in 1956, beat Don Lee (8-7) with two runs in the second on a double by Dale Long, a triple by Johnny Blanchard and an error. Bill Skowron then rapped his 26th home run as a pinch-hitter leading off a three-run eighth.

The plot's beginning to perk up in the race for the National League batting title. There are just five days left, but here comes Willie.

While Norm Larker of Los Angeles and injured Dick Groat of Pittsburgh's champion Pirates are tied for the lead at .325, Willie Mays of the San Francisco Giants has climbed to .322 in his shot for a second title.

Groat has been sidelined without a time at bat since breaking his wrist September 6. He has only three games left. Larker has five; Willie, four.

Groat, who expects to get back into the line-up against Milwaukee this weekend in a warm-up for the World Series opener at Pittsburgh a week from today, returned as a pinch-runner

### ATOMIC AIRCRAFT CARRIER NEARS COMPLETION

The mammoth 85,000-ton atomic aircraft carrier Enterprise, christened recently, takes her

first "voyage." The 1,100-foot long ship is moved by tugs from her drydock down the James River to a Newport, Virginia, outfitting pier where she will be completed. Commissioning is slated for the fall of 1961.—(AP Wirephoto.)

## Here's What It's Like To Be Father Of 7 Girls

TORONTO (CP)—What's it like to be the father of seven girls and no boys? For that matter, what about the mother of six boys and no girls?

The answers can be supplied by Jack Lawrence and Mrs. Maurice Kanary.

Mr. Lawrence, who recalls the confusion of marrying off his oldest daughter last year, says he shudders at the prospect of having to go through the same thing six more times.

But when asked how he manages to keep sane in a household of women, he just smiles and says: "I love it. That is, of course, when the girls and their mother do not talk of pinicurs and petticoats."

### TAKES THEM FISHING

One of three brothers, Mr. Lawrence said he always wanted a sister. He didn't get one but he has a heavy of daughters: Janine, 12; Laura, 10; Pat, 8; Delores, 6; Tina Marie, 5; and Andrea, 16 months. The oldest, Sharon, is Mrs. Robert McKnight and the mother of a baby boy.

Mr. Lawrence says he doesn't miss the companionship of a son. He takes the older daughters fishing and kite-flying. Even television presents no problem.

"When we watch television, they always ask me which pro-

gram I want. Fortunately we all like westerns."

But TV isn't so simple for Mrs. Kanary, whose six sons range in age from eight months to 10 years. She and the boys haven't the same tastes.

"I wait until the children are in bed, the cowboys and Indians have thundered away, then I can watch a nice feminine play."

### WANTED SIX

Mrs. Kanary and her husband, a diesel instructor from a family of 10 girls and seven boys, always wanted six children.

"We didn't expect them all to be boys, of course. But we are thankful they are all healthy and happy."

And there are advantages. For example, the boys don't mind wearing clothes and playing with toys handed down from older brothers. And there's no fight for the bathroom in the morning.

But feeding six growing lads is a challenge. Mrs. Kanary sometimes bakes as many as 39 dozen cookies in one day.

The boys are Reynolds, 10; Brent, 9; Bruce, 7; Rodney, 6; Mark, 3; and Luke, eight months. The fact they are all of the same sex simplifies discipline training.

"Although we treat each boy as an individual, we don't have to adapt as we would if we had several girls, too."

## English Spoken Widest But Chinese Spoken By Most

WASHINGTON (CP)—English is the most widely spoken language in the world but Chinese is spoken by the most people.

And if you put all the languages spoken—more than 3,000 of them—into one chorus, the sounds that would emanate might remind you of the rasps of an orchestra rehearsal—or the clash of horns and elephants.

"Caucasians employ a variety of consonants," says the National Geographic Society in a language report. "Arabs use many guttural sounds; south-western Africans speak with grunts and clicks and natives of Gomeria in the Canary Islands communicate by whistling."

### HERE'S PROOF

Some men claim women talk a lot and the National Geographic says that in the United States at least women are a lot speedier. They average about 175 syllables a minute, 25 more than men. Speech speed varies all through the world, with major tongues including Hindustani, Russian, Spanish, German, French and Japanese as well as English and Chinese.

Frenchmen race along at 350 syllables a minute—much faster than American women—while South Seas Islanders drop to a rate of 50 syllables, less than one syllable a second.

English is described in some quarters as an egotistic language because it is the only one that capitalizes "I".

Some words slip across national lines. Such well-used English words as "sandwich," "film"

and "baby" come from the French—Italian. Italians speak of "nylon," "football" and "cold cream" while the Japanese use "busen" and "match" for "bus" and "match."

### WORD BORROWING

Ski, kisser and slalom come from the Scandinavian tongues; spunk and Soviet from the Russian; pizza and influenza from the Italian; foxy and kibitzer from Yiddish; kowtow and typhoon from Chinese and yogi and Khaki from Hindustani.

Though some words slip through national lines, the National Geographic says linguists doubt a common tongue could ever become popular. Some 500 artificial languages have been proposed in the last 300 years—none with any great success.

### BOOKS ANYONE?

MONTREAL (CP)—Kurt H. Swinton, president of Encyclopedia Britannica of Canada Ltd., said Tuesday some 800 French-language secondary schools from Alberta to Nova Scotia are eligible to receive a free set of the encyclopedia. Donation of sets to more than 1,700 English-language high schools was announced earlier this year.

### SCIENCE BODY SOUGHT

MONTREAL (CP)—Establishment of a "Canadian association for the advancement of science" was urged Tuesday by Dr. Ewen Cameron, director of the Allan Memorial Institute of the Royal Victoria Hospital. Dr. Cameron, addressing members of the Rotary Club of Montreal, called for "an organization in this country of public spirited individuals interested in the advancement of research as one of the great ways to advance the future of this country."

### CODE FOR INQUIRIES

TORONTO (CP)—The Ontario section of the Canadian Bar Association Tuesday recommended that a code of evidence be established for all government tribunals. E. A. Goodman, chairman of the association's administrative law section, said the code should lay out what evidence may be received by a quasi-judicial board.

### AID FOR ALCOHOLICS

MONTREAL (CP)—Treatment for alcoholics will be covered in the federal-provincial hospital insurance plan Quebec is about to set up, provincial Health Minister Alphonse Couillard announced Tuesday. He said an alcoholic is not an outcast, but a sick person and costs of treating alcoholics in special sections of general hospitals would be covered "the same as a tuberculosis patient would be treated."

Opening lead—five of spades. When an elimination play is taking place, it is hard for the declarer to conceal what he is doing. The defenders see what is going on, and, if they are alert, they can frequently foil declarer in his purpose.

South was in three spades and West led a trump. Declarer saw that the likely losers were a diamond, a club, and three hearts. In an effort to avoid one loser, therefore, he embarked upon an elimination play.

After taking two rounds of trumps, he led the ten of clubs

which West covered with the king. Declarer allowed the king to win and West returned a club. South took the ace and ruffed a club.

He then led a low diamond, the king winning, and returned a diamond and South ruffed.

By now declarer's hand and dummy's were out of diamonds and clubs. This was the position he had set out to reach.

Declarer led a heart and West was in a hopeless situation. He took the jack to bring his side to three tricks, but could then make only one more trick, whether he cashed the ace of hearts or led a diamond which would permit a ruff and discard. So South made three spades as a result.

However, he should have been defeated. The successful strip and endplay should have been nipped in the bud by East. South's plan of action became self evident early in the play and East should have risen to the occasion at the proper moment.

After dummy had won the king of diamonds and returned a diamond, East should have gone up with the queen in order to take the lead and return a heart. Had he done this, declarer would have lost three heart tricks and gone down one.

If South plays low on the heart return, West wins with the jack (trick number three) and exits with the ace of diamonds. South can then do no better than resign gracefully.

## FOR TOMORROW

This is a day in which to steer clear of persons who have been a "pest" in the past. Avoid misunderstandings, particularly where communications are concerned. Don't put too much faith in new acquaintances.

## FOR THE BIRTHDAY

If tomorrow is your birthday, your horoscope indicates that job matters should show a slight up-trend now, and that the successful accomplishment of many goals could be reached by early October, if you put forth your best efforts and show a willingness to handle extra responsibilities—even if they should happen to involve a change of environment. November and December will not be too successful where job and financial interests are concerned.

Avoid extravagance in any form in early 1961, and postpone new ventures until mid-1961, when you

will enter a more propitious period for such launchings. Travel opportunities are indicated during the present month; also next July and August, and social activities and romance should prove highly stimulating during May and June. Generally speaking, July, October and September will be your best months in 1961.

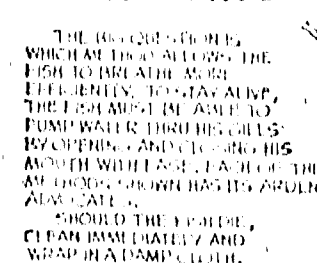

A child born on this day will be determined and conscientious, and could succeed as an interior decorator or musician.

**EX-KING AFFRONTED**  
PERTH, Australia (AP)—Ex-king Peter of Yugoslavia is upset over use of his picture by a Perth firm advertising TV sets. "Royal entertainment fit for a king" said the ad, showing Peter posed beside one of the sets. A complaint on behalf of the former king said the commercial use of the picture was an affront to his dignity and that he hadn't authorized such use when he permitted the picture to be taken.

## YOUNG PARENTS

**BELGRADE (AP)**—A 10-year-old Yugoslav girl, Biserka Hamdovic, is the mother of two sons, the magazine Sport and World reported today. The girl ran away from home with Pasaga, a 12-year-old boy, when she was pressing "deep satisfaction" at work, the magazine said, and the UN action in the Congo.

## UNIONS BACK DAG

**BRUSSELS (Reuters)**—The International Confederation of Free Trade Unions, which claims to represent 55,000,000 workers in the non-Communist world, Tuesday sent UN Secretary-General Dag Hammarskjold a cable urging him to support and ex-

## SEXY NYMPHET

**HOLLYWOOD (AP)**—They've found a girl to play Lolita, sexy nymphet of the sensational novel. She is Sue Lyon, 14. Director Stanley Kubrick announced today she was chosen from 800 others to play the title role in the film. The film was written by Vladimir Nabokov's son, and the UN action in the Congo.

## PROFESSORS BEATEN

**TOKYO (AP)**—Two dozen professors are suing the government for \$17,000 damages, charging police beat them up during a leftist riot outside the parliament building last June 15. The professors said they were innocent bystanders watching the fighting between police and leftist students.

# Canada's Newest Theatre To Open on Sell-Out Show

TORONTO (CP) — Hugh P. Walker, at the foot of Yonge Street which he urged industry to pro-Walker has found out what \$12, in downtown Toronto, just a block and a half from Union Station, lies for Toronto.

"I thought we could do a great deal for that but our original plans would have cost three or four times that much," says the managing director of Toronto's new O'Keefe Centre for the Performing Arts. It has 3,100 seats but can be reduced to a more intimate 1,100-seat house by pulling an acoustic curtain across the centre. Sliding wall panels controlled by switches can change the acoustics to suit voice or orchestral music.

"All the things that matter are ready for the Oct. 1 opening," he said. Workmen are busily cleaning up tag ends of work, shining the brass and polishing the mirrors and glasswork.

**WORLD PREMIERE:** The theatre is ready for the world premiere of Camelot, a musical about King Arthur's court by the My Fair Lady team of Alan Jay Lerner and Fredrick Loewe. The cast is headed by Julie Andrews, star of My Fair Lady, Bob Goulet, 27-year-old actor-singer who grew up in Edmonton, and English actor Richard Burton.

The show, scheduled for a three-week Toronto run before its Broadway opening, is a sell-out. A subscription series for 1,600 patrons has also been sold out for the season. Seven of the 10 subscription productions will Tuesday night, the Chinese Nationalist defence ministry re-theatres in the city will suffer. The attack was the heaviest in three months against the nationalist-held offshore islands, be housed in Toronto before.

## FIRE 12 SHELLS

TAIPEI, Formosa (AP)—The Chinese Communists fired 132 shells at the Quemoy Islands Tuesday night, the Chinese Nationalist defence ministry re-theatres in the city will suffer. The attack was the heaviest in three months against the nationalist-held offshore islands, be housed in Toronto before.
